

# IMAGINE PEACE!

Can you imagine,  
A world with peace?  
No wars or fights,  
Where everyone is free!  
Free to imagine,  
Free to believe!  
A world where everyone can get along.  
A world where people can help each other  
Even without asking!  
I can hope and pray,  
But I'm sure  
It won't ever really happen!  
I can't make it happen,  
But I can try  
To make it happen  
Because dreams are powerful,  
Why else would we have them!
