

Peace means sharing to me.
Peace means happiness to me.
Peace means all most all to
me. Peace can mean joy to you.
Peace means how proud you are
to of your self. Peace can mean
healthy. Peace is like a stream of
words. Peace is like talking to god.
Peace is like a water stream
of words. Peace is freedom to do
any thing. Peace is don't copy others.
Peace is laughing. Peace is having fun.
Peace is praying. Peace is also
Love. Peace is saying sorry. Peace means
not not that much noise.
