Swimming	S	2	Ruth has demonstrated considerable increase in confidence in the pool. She is able to walk across the pool while blowing bubbles and is trying to retrieve a sinker from the shallow end. Encourage her to practise starfish and streamline float. Good progress overall.	I.N

**Next Steps in Learning:** Ruth is a hard working little girl and she always strives to produce good work. She has grasped many of our topics and always works independently, rarely needing assistance or supervision. Ruth sometimes fails to complete her homework and daily spellings and this hinders her performance in our weekly assessments. I do hope that this will change in the next academic year. Overall, it has been a pleasure having her in our classroom and I wish her all the best in the upcoming year!

**Head Teacher's Comment:** By making a little progress each day, throughout the year, Ruth managed to produce pleasing results in all the subjects. She needs to be encouraged to keep up the good work and at the same time set goals on the areas she is still struggling with- which are- completing homework. Keep striving for success, Ruth! Wishing you all the best in Year 2.
